### My 45 Years of Highlights

This December Bill and I will be married 44 years. My highlight was raising my  
two boys and watching them graduate from SMU and marrying two wonderful girls  
UNTIL I became a Grandmother! This is the most wonderful time. Both my sons live  
in Houston so I get to see them all the time. We have a home in Galveston and spend  
alot of time there with the grandbabies. They are so much fun and are giving Bill  
and so many wonderful memories.
